A helping hand for hospital waiting room

By BLAIR THOMSON

A CHEQUE handed over to Albury Base Hospital this week will help the family members of people in the hospital's Intensive Care Unit.

Bunnings and Dulux helped to raise \$520 over the Easter period, which went towards a new couch for the ICU and the-

atre room waiting areas.

"Our ICU is pretty much always full so we appreciate all the help we can get," Albury Wodonga Health Albury Campus director of nursing Zane Healy said.

"This will make it much more comfortable for patients' relatives and friends.
